**Call Rod Bragg @ 330-628-1313 Email rod@plcc.info Hole
sponsorships needed. Leave a personal memory of Kenny \$75 per sign.**

Dear Friends and Neighbors,

On the day that Kenny died he was doing one of the things he loved to do most, umpiring a baseball game and spending time with friends, children and sports.

When Kenny went down with his heart troubles on April 30, 2011 he received immediate care and CPR at the Edinburgh Fields from a number of nurses who were at the game. Unfortunately, the tool that may have saved him a heart defibrillator was not available.

To honor his memory we are hosting this Kenny Evans Memorial Golf Scramble to raise money to place defibrillators at baseball fields around the community. With your support we will continue this venture over the next several years.

Thank you for your support and tribute to the memory of Kenny and your assistance in this important cause.

Bless all of you for keeping Kenny in your hearts.

Wanda Evans
