

The Mogadore VFW post 8487 has historically, and continues to be incredible supporters of the Suffield Fire Department. They purchased our very first cellular phones in 1991 at a cost of \$1,000! In addition to the phones, just a few items that they have purchased are listed below. These items directly impact our ability to provide fire and emergency services to you.

- ✓ Computer system
- ✓ CPR Training devices and supplies for community classes
- ✓ \$25,000 heart monitor
- ✓ Two Automatic Electronic Heart Defibrillators
- ✓ Annual support of needy families in our Township

Our thanks to all of the members of Post 8487 for the goodwill and support that you give to all of Suffield Township!

Members of the VFW present a new AED defibrillator to the fire department. Pictured L to R: Roger Frye, Harold Loudin, Gordon Smith, Andrew Englehart and Fire Chief Robert Rasnick.
